

Dear Exhibitor,

This letter confirms your exhibit at Mental Health Awareness Day, April 18, 2007 at the Missouri State Capitol. The main exhibition hall is in Third Floor Rotunda. Exhibits run from 10 a.m. until 3 p.m. Please set up prior to 10 a.m. A representative of Project LIFE will be on hand to answer questions.

Exhibitors can unload at the Capitol Garage loading dock next to the guard station, on the east side of the Capitol. You must move your car after unloading. (Parking is available two blocks east of the Capitol at the Madison Street Garage.) Elevators to the Third Floor Rotunda are located to the left of the guard station. (Please see attached maps).

Each exhibit will have a six-foot table and two chairs. Exhibits are open to the public (be prepared for at least 500 visitors). You are encouraged to bring freebies and literature; please note that vendors cannot sell wares on the Capitol premises.

If you have questions or special needs, call Kristen Heitkamp at Project LIFE (1-800-392-7348) or email heitkampk@missouri.edu.

Thank you for your commitment to making this an outstanding event.

Sincerely,

Kristen Heitkamp, Project LIFE
2007 Mental Health Awareness Day Committee
